# All-Risk Insurance

#### Insurance

All stored precious metals and assets are additionally fully insured by OZL Offenes Zolllager in Liechtenstein AG by an all-risk insurance.

Insurance coverage is provided for the following events :

- burglary
- robbery
- damage by natural forces
- loss
- damage
- embezzlement

#### **Embezzlement**

In addition to the basic risks, there is full insurance against the risk of embezzlement. All employees of OZL AG are subject to the strictest security processes, are regularly screened and are part of the insurance concept.

### Security

A specially designed security system, designed and executed by Swiss experts, guarantees the highest security standards in the whole building according to strictly defined procedures.
